Abstract - The objective of this document is to instruct authors about the preparation of the manuscript for COBEP 2017. Authors should use these guidelines for preparing the final version of their paper. Additional information about procedures and guidelines for publication can be obtained directly with the technical chair.

Keywords – Authors shall provide a maximum of six keywords (in alphabetical order, capitalized, separated by commas) to help identifying the major topics of the paper.

NOMENCLATURE

V_{qd} Stator voltage dq components.

I_{qd} Stator current dq components.

I. INTRODUCTION

The main objective of the Introduction section is to describe the nature of the problem discussed in the paper through an adequate literature review, as well as the effective contribution of the submitted manuscript.

If relevant, a Nomenclature section may be included immediately before the Introduction, with a list of variables used in the text. This item should not contain reference numbers, as well as items such as Acknowledgements, References and Biographies.

A. Submission and Copyright notice

The COBEP is an appropriate forum through which SOBRAEP (Brazilian Power Electronics Society) and IEEE members and experts in the field of Power Electronics may present and discuss their scientific and academic activities. Therefore, the Steering Committee invites you to submit your final version properly incorporating the reviewers requests.

Only papers written in English will be accepted. Authors must submit their manuscript electronically through the JEMS portal at <https://jems.sbc.org.br/>. From this entry page, access can be obtained to all information required for the submission of a manuscript.

Before creating a PDF file, add the copyright notice to the bottom of the first page in your source document.

For papers in which all authors are employed by the US government, the copyright notice is: U.S. Government work not protected by U.S. copyright.

For papers in which all authors are employed by a Crown government (UK, Canada, and Australia), the copyright notice is: “978-1-5090-6248-5/17/\$31.00 © 2017 Crown”.

For papers in which all authors are employed by the European Union, the copyright notice is: “978-1-5090-6248-5/17/\$31.00 © 2017 European Union”.

For all other papers the copyright notice is: “978-1-5090-6248-5/17/\$31.00 © 2017 IEEE”.

Proofread the source document thoroughly to confirm that it does not require any further revision. Create your PDF file according to the PDF instructions for authors guide.

B. Presentation of the Text

Papers submitted for publication in the COBEP Conference should have no more than six pages. Authors must use International System units (SI or MKS).

The manuscripts that do not follow these guidelines will be rejected and the authors will be informed.

C. Text Editing

The manuscript must be prepared in A4 format (297 mm x 210 mm) as demonstrated in these guidelines. The recommended text processor are Word or L^AT_EX.

1) Type sizes: The type sizes specified in the guidelines are according to the text processor Word for Windows and the typeface must be Times New Roman. Table I shows the standard sizes of the characters that should be used in the different sections of the manuscript.

2) Page Format: Set top and bottom margins to 25 mm, left margin to 18 mm and right margin to 12 mm. Column width is 87 mm. The space between the two columns is 6 mm. Paragraph indentation is 4mm.
