## **PUBLIC CALL Nº 60, OF MARCH 24TH 2019 SHORT ADMISSION PROCESS**

The Human Resources Office of the Federal University of Juiz de Fora (UFJF), exercising its statutory duties and powers in accordance with Ordinance nº01, of 01/02/2017, releases this Short Admission Process Call for Visiting Professor, selections nº 01 to 08 of 2018 - Juiz de Fora *Campus* and Governador Valadares *Campus*.

- Law nº 8.745, of 12/09/1993;
- Law nº 12.772, of 12/28/2012;
- Decree nº 7.485, of 05/18/2011, amended by Decree nº 8.259, of 05/29/2014;
- Decree nº 9.508, of 09/24/2018;
- UFJF Ordinance nº 978, of 07/26/2017, in compliance with Resolution nº 42/2017;
- UFJF Ordinance nº 979, of 07/26/2017, in compliance with Resolution nº 42/2017;
- UFJF Ordinance nº 980, of 07/26/2017, in compliance with Resolution nº 42/2017;
- Resolution PEIA-PG-UFJF nº 33, of 09/19/2017, updated by the Resolution PEIA-PG-UFJF nº 21, of 07/25/2017;
- Normative Resolution CNI/MTE nº 24, of 02/20/2018.

### **1 APPLICATIONS**

**1.1** The candidate may apply for one seat as National Visiting Professor, if Brazilian, or Foreign Visiting Professor, if foreign, with a temporary contract, according to the Appendix of the current Public Call.

**1.2** Selections 01 to 07 - are destined for hiring at the Federal University of Juiz de Fora – Juiz de Fora *Campus*, in the city of Juiz de Fora – MG.

**1.3** Selection 08 - is destined for hiring at the Federal University of Juiz de Fora – Governador Valadares *Campus*, in the city of Governador Valadares – MG.

**1.3 GENERAL PRACTICE AREA** - The Visiting Professor, national or foreign, must act towards the enhancement of the quality of UFJF's graduate programs by giving lectures, tutoring students and cooperating with the development of projects for national and international fundraising, as well as by elaborating articles to be submitted to high impact journals. The candidate must be able to expand the internationalization activities and to facilitate the scientific and technical exchange and the participation in research networks, especially international ones.

**1.4** The Specific Practice Areas for each Selection can be found in the Addendum, available at <http://www.ufjf.br/concurso/selecao-professor-visitante/>

**1.5 APPLICATION DATES AND DEADLINES:** The application period will be from **2pm on 06/18/2019 until 6pm on 06/28/2019**.

**1.6** In order to apply for the Short Admission Process, the candidate must:

a) Meet the Degree/Title requirements and professional competency, according to the following:

I - Have held the Title of Doctor for at least 5 (five) years;

II - Be a recognized scholar or researcher in their area; and

III - Have relevant scientific work, preferably in the last 5 (five) years, **OR**

b) Be a renowned professional in their area, if they do not meet the requirements of sub-item 1.6. item "a".

**1.7** Renown in the professional area will be evaluated by the Visiting Professor Evaluation Committee, assigned by the Graduate Studies and Research Board (Conselho Setorial de Pós-Graduação e Pesquisa – CSPP).

**1.8** The foreign candidate who does not hold a Doctoral Degree recognized and registered by a Brazilian university – in terms of Law nº 9.394/96, article 48 - but wishes to apply under the terms of sub-item 1.6. “a” must request, upon enrollment, an equivalence evaluation, that will be analyzed by the Visiting Professor Assessment Committee, assigned by the Graduate Studies and Research Board (CSPP).

**1.9** Retired UFJF professors will not be admitted in the selection process.

## **1.10 APPLICATION PROCEDURES**

**1.10.1** The candidate must visit the website <http://www.ufjf.br/concurso/selecao-professor-visitante/> within the deadline established in item 1.5 and fill in the electronic Application Requirement Form (FRI) with the requested information.

**1.10.2** No application fees will be charged.

**1.10.3** The application implies the commitment by the applicant to the established conditions for the execution of the admission process, as provided on the abovementioned acts. The candidate cannot claim to be unaware of such acts.

**1.10.4** Only applications with documents, work plan and résumé in Portuguese or English will be accepted.

## **1.11 – SEATS RESERVED FOR PERSONS WITH DISABILITIES**

**1.11.1** Persons with disabilities who intend to use the prerogatives granted to them by article 37, VIII, of the Federal Constitution of 1988 and on article 1 of Decree nº 9.508/2018, have the right to apply for selection process, on equal ground with other candidates regarding the evaluation process, criteria for approval, and the minimum score required for all other candidates, provided that their disability is compatible with the duties of the position.

**1.11.2** Persons with disabilities are those who fall into the categories listed in article 2 of Act nº 13.146/2015, in article 4 of Decree nº 3.298/1999, as well as in the Precedent nº 377 of STJ and in paragraph 1 of article 1 of Act nº 12.764/2012.

**1.11.3** 01 (one) seat is immediately reserved for a person with a disability for the Selection nº 06, of the Department of Physics, Institute of Exact Sciences, UFJF, Graduate Program in Physics, process nº 23071.008621/2019- 11, set forth in the Appendix of this Public Call.

**1.11.4** Within the seats created during the period of validity of the selection, at least 5% (five percent) will be offered as provided in article 1, paragraph 1 of Decree nº 9.508/2018.

**1.11.4.1** The requests for the occupation of seats that may become available during the period of validity of the selections set forth in this Public Call shall comply with the criteria of proportionality and alternation, and the **call** for hiring of persons with disabilities shall take place, provided that they are approved, on the 21st (twenty-first) and 41st (forty-first) seats.

**1.11.4.2** The elimination, withdrawal or any other impediment of a candidate called for the reserved seat, both for the immediately reserved seat provided in item 1.11.3, and for the reserved seats that may become available due to hiring requests during the period of validity of the selections, provided for in item 1.11.4.1, will imply its replacement by the next candidate with a disability approved in the respective selection, if there is one.

**1.11.5** The existence of an immediate reservation of seats for persons with disabilities does not prevent the enrollment of other candidates for the respective selection.

**1.11.6** The lack of provision for an immediate reservation of seats for persons with disabilities does not prevent the enrollment of disabled persons in the other selections.

**1.11.7** In order to choose which selection processes would have immediate reservation of seats for persons with disabilities a drawing was held, in a session with the presence of Coordinators of Graduate Programs, representatives of the Rectory of Human Resources and representatives of the Affirmative Action Board of the Federal University of Juiz de Fora.

**1.11.8** Upon enrollment, candidates interested in competing for seats that are or that may be in the future destined to persons with disabilities shall make a choice in this respect and attach the original copy of the Medical Report, in Portuguese, issued up to 03 (three) months before the date of the beginning of the enrollment period. This report must contain, legibly:

- a) the kind and degree or level of disability, with direct reference to the corresponding International Classification of Diseases (ICD) code, as well as the probable cause of the disability;
- b) the name of the Doctor and his/her registration number in the respective Regional Council.

**1.11.8.1** Candidates who, at the time of the enrollment, do not declare themselves as a Person with a Disability and/or do not submit the documentation requested in item 1.11.8, will lose the right of being considered a candidate with a disability.

**1.11.9** If there is more than one candidate with disability approved for the seat reserved for disabled persons, in compliance with this Public Call, the filling of the seat will observe the order of classification of the respective selection.

**1.11.10** In accordance to the other provisions, it is established that the seats with an immediate reservation will be destined for the candidates who declare themselves as a disabled person, when approved in their respective selection, even if their final score is inferior to the scores of the other candidates.

**1.11.11** Following the completion of the selection process, if there are calls for candidates with disabilities approved for hiring, these will be undergo evaluation by a multi-professional team of the SIASS/PROGEPE Unit of UFJF, which will make the final decision on the condition of the candidates.

**1.11.11.1** Candidates summoned for evaluation by the multi-professional team referred to in item 1.11.11 shall provide an identification document with profile picture and prove their condition of disability through the presentation of an original Medical Report, in Portuguese, issued until 03 (three) months prior to the call, which must contain, legibly:

- a) the kind and degree or level of disability, with direct reference to the corresponding International Classification of Diseases (ICD) code, as well as the probable cause of the disability;
- b) the name of the Doctor and his/her registration number in the respective Regional Council.

**1.11.12** The evaluation to be carried out by the SIASS/PROGEPE Unit of UFJF, referred to in item 1.11.11.1, will check if the disability in question fits within the provisions of article 2 of Act nº 13.146/2015, article 4 of Decree nº 3.298/1999, as well as in the Precedent nº 377 of STJ and paragraph 1, of article 1 of Act nº 12.764/2012, as well as whether or not the disability is compatible with the duties of the temporary position to be occupied.

**1.11.12.1** The evaluation procedure dealt with in item 1.11.12 shall also observe the following provisions:

- a) the date and time for candidates with disability to be present for the examination shall be included in the notice of the call; if the candidates are not present for examination within the stipulated deadline, they will be excluded from the reservation of seats for persons with disabilities;
- b) the evaluation referred to in this item will be of eliminatory nature;
- c) there will be no second call for this evaluation whatsoever;
- d) if the incompatibility between the disability and the attributions of the postulated position is verified, the candidate will be eliminated from the competition;
- e) candidates whose disabilities are not verified in the form of article 2 of Act nº 13.146/2015, of article 4 of Decree nº 3.298/1999, as well as the Precedent nº 377, of STJ and in paragraph 1, of article 1 of Act nº 12.764/2012 will be excluded from the reserve of seats for people with disabilities.

**1.11.13** Seats which are not occupied due to a lack of disabled candidates, or due to a candidate failing to be approved in the selection process or in the evaluation by the multi-professional team, will be filled by the other candidates, with strict observance to the classification of those approved by selection.

## **2 ACTS OF ACCEPTANCE/REFUSAL OF RENOWN RECOGNITION IN THE PROFESSIONAL AREA AND/OR EQUIVALENCY OF THE DOCTORAL DEGREE FOR FOREIGNER APPLICANTS**

**2.1** The applicant whose renown recognition in the professional area is refused will be denied participation in the Title Assessment and Work Plan Evaluation Stages.

**2.2** The foreign applicant whose request of an equivalence evaluation for a Doctoral degree that is not recognized and registered by a Brazilian University is refused will be denied participation in the Title Assessment and Work Plan Evaluation Stages.

**2.3** The results of the Initial Decision on renown recognition in the professional area and Doctoral degree equivalence/recognition for foreign applicants will be available on 07/04/2019, on the website <http://www.uff.br/concurso/selecao-professor-visitante/>

## **2.4 APPEALING PROCEDURES AGAINST REFUSAL ACTS**

**2.4.1** The initial decision of the Visiting Professor Evaluation Committee regarding acceptance/refusal of renown recognition in the professional area and of the equivalence evaluation of foreign candidates' Doctoral Degrees may be contested by refused applicants via appeals addressed to the Graduate Studies and Research Board(CSPP).

**2.4.2** The appeal must be submitted by the interested party via e-mail directed to [cspp@uff.edu.br](mailto:cspp@uff.edu.br), and must contain, in the mail itself or in an attached file, the text of the appeal. The candidate is responsible for the readability and the reception of the document.

**2.4.3** The appeals shall be sent on 07/05/2019.

**2.4.4** The final decision on the acceptance/refusal of the renown recognition in the professional area and the equivalence evaluation of the Doctoral degree of foreign applicants will be published on 07/11/2019, on the website <http://www.uff.br/concurso/selecao-professor-visitante/>

**3. AVAILABLE SEATS** – The number of seats is detailed on the Addendum of this Public Call.

## **4. NATIONAL VISITING PROFESSOR CONTRACTS**

**4.1** Contracts of National Visiting Professors that are signed based on this Public Call shall have a minimum period of validity of 6 (six) months.

**4.2** The work contract of the National Visiting Professor must be of 40 (forty) hours per week with Exclusive Service (Dedicação Exclusiva - DE.)

## **5. FOREIGN VISITING PROFESSOR CONTRACTS**

**5.1** Contracts of Foreign Visiting Professors that are signed based on this Public Call shall have a minimum period of validity of 1 (one) year.

**5.2** The hiring of Foreign Visiting Professors will be conditioned by the candidate's obtainment of the residence permit in the national territory, given by the Ministry of Labor and Employment, through a proper procedure to be carried out after his/her call for hiring.

**5.3** The hiring of a Foreign Visiting Professor will also be conditioned by the candidate's previous contracting of health insurance covering any and all medical and/or hospital expenses of the contractor and his/her dependents and responsibility for the eventual repatriation of the contractor and dependents.

**5.4** The work contract of the Foreign Visiting Professors must be of 40 (forty) hours per week with Exclusive Service (Dedicação Exclusiva - DE.)

## **6. SALARY**

**6.1** The monthly payment for the Visiting Professor will be established by the Visiting Professor Evaluation Committee and certified by the Graduate Studies and Research Board (CSPP), according to the qualification and experience of the hired applicant and observing the correspondence with the remuneration ranges of the career plan and positions of Federal Higher Education, divided in the following classes and levels: class C (adjunct) level 1; class D (associate) level 1 and class E .

**6.2** Table of Remuneration, according to Act nº 12.772, of 12/28/2012, for the Higher Education Career (modified by Act nº 12.863, of 09/24/2013).

<b>Payment Corresponding to Adjunct Professor Title, class "C", level 1</b>	
<b>Workload</b>	<b>Total in R\$</b>
Exclusive Service	11.561,91

<b>Payment Corresponding to Associated Professor Title, class "D", level 1</b>	
<b>Workload</b>	<b>Total in R\$</b>
Exclusive Service	16.199,24

<b>Payment Corresponding to Professor Title, class "E", level 1</b>	
<b>Workload</b>	<b>Total in R\$</b>
Exclusive Service	19.985,24

## **7. EVALUATION PROCESS**

**7.1** Before the Evaluation Process, the qualification and professional competence requirements will be verified by the members of the Evaluation Committee. In the event that the candidate does not comply with the established requirements in this Public Call, he/she will be eliminated from the short admission process.

**7.2** The Evaluation Process of the Visiting Professor will be done via a Title Assessment and evaluation of the Work Plan that will be developed.

**7.3** In order to participate in Title Assessment and Work Plan Evaluation, the candidate who requires recognition of renown in the professional area must have his/her application approved.

**7.4** In order to participate in Title Assessment and Work Plan Evaluation, the foreign applicant who requests the equivalence evaluation of their Doctoral Degree which is not recognized and registered by a Brazilian University, must have the application approved.

**7.5** The Title Assessment Evaluation of the applicants will be done according to the scoring criteria established by the Board of each Academic Unit, according to their own resolutions, available at <http://www.ufjf.br/concurso/selecao-de-temporarios/selecao-professor-visitante/8927-2/>.

**7.6** In order to evaluate the Work Plan, the following criteria will be considered:

I - quality and relevance of the work plan: from 0 (zero) to 4 (four) points;

II - viability of the work plan, as well as its compatibility with the proposed program: from 0 (zero) to 3 (three) points; and

III - ability to establish links, networks and research partnerships with international institutions: from 0 (zero) to 3 (three) points.

**7.7** The Title Assessment Evaluation has a qualifying and eliminatory nature, and the candidate must obtain a score equal to or greater than 7 (seven) to be considered approved in this stage.

**7.8** The evaluation of the Work Plan has a qualifying and eliminatory nature, and the candidate must obtain a score equal to or greater than 7 (seven) to be considered approved at this stage.

**7.9** The candidate who obtains a final average equal or superior to 7 (seven) will be considered approved.

**7.10** In the event of a tie in the classification of candidates, the tiebreaker will be done according to the following criteria, with preference for candidates of:

I – oldest age, in the case of an applicant(s) aged 60 (sixty) or older (Act n. 10.741/2003, articles 1 and 27, Single Paragraph);

II - higher score in Title Assessment;

III - higher score in subsection III of item 7.6;

IV - higher score in subsection I of item 7.6.

**7.11** The results of the selections will be published on 07/24/2019, on the website <http://www.ufjf.br/concurso/selecao-professor-visitante/>

## **8 – APPROVAL PHASE (procedures to control the regularity of acts):**

**8.1 Control of the acts and procedures:** The Rectory of Human Resources (PROGEPE) is responsible for the control of formal regularity of acts and procedures involved in this selection, culminating in approval and/or cancellation (partial or total) of acts or procedures that could possibly involve effective and specific damage to individual rights of interested parties, including UFJF itself, by means of Ordinances published in the Federal Official Publication (Diário Oficial da União - DOU), whose date will be the initial term of the effective period of the Short Admission Process.

**8.2 Procedure for appeals:** Any candidate may submit, until 6pm of 07/26/2019, appeals against any act that implies in actual and concrete damage to their individual rights, addressed straight to PROGEPE. The appeal must be sent by e-mail directed to [grst.progepe@ufjf.edu.br](mailto:grst.progepe@ufjf.edu.br), and must contain, in the mail itself or in an attached file, the text of the appeal. The candidate is responsible for its readability and for the reception of the document

**8.2.1** No appeals against acts that are academic in nature will be accepted - such as the evaluation acts of the tests applied in the Assessment Phase of the Short Admission Process - as they are a matter of discretion (administrative and academic merit).

**8.3 Correction and control of procedures:** In case of fraud or counterfeit in any presented document or statements, PROGEPE will not consider the requirement and the act will be deemed void (being thus cancelled), and PROGEPE will give notice of the fact to the Public Prosecution Service (Decree nº 83.936/1979, article 10, Single Paragraph).

**8.4 Formalization:** The approval act(s) for the Short Admission Process will be formalized by means of an Ordinance, to be published by PROGEPE in the Official Press (DOU), where the list of approved candidates will appear in order of classification.

## **9. GENERAL PROVISIONS**

**9.1** The hiring of the approved candidates is limited to the seats made available in this Public Call.

**9.2** The candidate that will be hired must present himself/herself to the responsible Head of Department, upon the call for hiring, holding the documents evidencing his/her title, under penalty of rejection of the hiring.

**9.2.1** It is the responsibility of the Head of the respective Department to check and analyze the documents presented in the item 9.2.

**9.3** The hiring of civil servants of the direct or indirect Administration of the Federal Union, States, Federal District and Municipalities, as well as employees or servants of its subsidiaries and controlled companies as Visiting Professor is forbidden.

**9.4** Candidates who have already been hired under Law nº 8.745/93, including as Substitute Professor or Visiting Professor, may not be hired again based on this Public Call, until the expiration of the 24 (twenty-four) month gap between the end of one contract and the beginning of the next one.

**9.5** The Visiting Professor shall not receive assignments, functions or jobs which are not stipulated in the hiring contract, nor may he/she be appointed or nominated for commissioned posts, even in a precarious or substitute fashion.

**9.6** The effective term of this Short Admission Process will be of 1 (one) year, counting from the date of publication of the ratification of the result in the Official Press (DOU) of the respective selection.

**9.7** Cases of normative omission will be decided by the Human Resources Office (PROGEPE).

**9.8** This Public Call may be cancelled or altered, in whole or partially, at any time, in the face of future reasons, which shall not entail the creation of any rights or obligations to any of the interested parties.

**9.9** It is the candidate's responsibility to keep informed of the legislation governing this process, which is available at <http://www.ufjf.br/concurso/inicial/legislacao/>.

**PUBLIC CALL NUMBER 60, MAY 28th 2019**

#### **ADDENDUM I**

#### **SPECIFIC AREAS OF ACTIVITY**

#### **SELECTIONS NUMBER 1 to 8**

#### **SCHOOL OF ECONOMICS**

Selection 1: ECONOMICS AND FINANCE DEPARTMENT

Graduate Program: ECONOMICS

<http://www.ufjf.br/poseconomia/> - Contact: +5532 2102-3543

**Specific areas of activity:** The Visiting Professor shall work in the Economics field linked to one of the research lines of the Graduate Program in Economics; teach subjects on Graduate courses and mentor masters and/or doctoral students. In addition, the participation of the Visiting Professor on the research groups is fundamental, thus establishing partnerships and joint production.

#### **SCHOOL OF ENGINEERING**

Selection 2: CONSTRUCTION INDUSTRY DEPARTMENT

Graduate Program: BUILT ENVIRONMENT

<https://www.ufjf.br/ambienteconstruido/> - Contact: +5532 2102-6465

**Specific areas of activity:** The Visiting Professor shall cooperate in the development of national and international strategic partnerships; mentor graduate students; contribute to the development of research projects; participate on the research lines of the Built Environment Graduate Program; teach classes; participate in the scientific production of the program in different forms and publish on qualified international journals, aiming at the expansion of the internationalization activities of the program.

Selection 3: APPLIED AND COMPUTATIONAL MECHANICS DEPARTMENT

Graduate Program: CIVIL ENGINEERING

<http://www.ufjf.br/pec/> - Contact: +5532 2102-3456

**Specific areas of activity:** The Visiting Professor shall: work in the areas of research of the Civil Engineering Graduate Program, which are: Building Materials and Components and Structural Mechanics, teaching and mentoring activities; demonstrate the capacity to expand the activities of internationalization and enable the scientific and technological exchange, as well as participate in research networks, especially international ones; support the creation of research projects to apply for funding from national and international agencies, as well as support the production of articles to be submitted to high impact journals; have academic production equal to or higher than that of Level 2 (two) researchers according to the CNPq criteria in the area of Civil Engineering. The hiring of the Visiting Professor is part of the Program of Encouragement to Academic Exchange In Graduate Programs. The Visiting Professor shall be able to: I - support the internationalization activities of the program, enabling the scientific and technological exchange; II - participate in national and international research networks; III - support the creation of research projects to apply for funding from national and international agencies; IV - contribute to the increase of the scientific production of the program.

## SCHOOL OF DENTISTRY

Selection 4: DENTAL CLINIC

Graduate Program: DENTISTRY

<http://www.ufjf.br/ppgodontologia/>- Contact: +5532 2102-3881

**Specific areas of activity:** Dentistry – work on teaching (graduate courses), on development and coordination of research projects and on mentoring of students of Dentistry Graduate Program from UFJF. Visiting Professor profile: researcher of excellence on Health field, with emphasis in Dentistry, and scientific production similar to that demanded of the permanent professors of the Graduate Program in Dentistry. The scientific production of the Visiting Professor regarding articles published between 2014 and 2018 should make up a minimum of 970 points, according to Qualis/Capes criteria for Dentistry, with at least 1) Publication classified in levels A1 or A2; 2) 50% of the points relating to publications in levels A1, A2, B1 or B2; 3) be the first, second or last author in 20% of the publications.

## INSTITUTE OF BIOLOGICAL SCIENCES

Selection 5: ZOOLOGY DEPARTMENT

Graduate Program: ANIMAL BEHAVIOR AND BIOLOGY

<https://www.ufjf.br/comportamento/>- Contact: +55322101-3223

**Specific areas of activity:** Area of knowledge: Animal Behavior and Biology. Teaching activities, mentoring and research on the Biological Sciences Graduate Program (Animal Behavior and Biology) in the following thematic lines: Animal Diversity and Systematics, Animal Behavior, Ecology and Animal Evolution, Applied Zoology and Parasitic Zoology. The Visiting Professor shall be able to expand the activities of internationalization and enable the scientific and technological exchange, as well as participate in research networks, especially international ones; support the creation of research projects to apply for funding from national and international agencies, as well as support the production of articles to be submitted to high impact journals. The scientific and academic production of the Visiting Professor must be compatible with CNPq scholarship holders.

## INSTITUTE OF EXACT SCIENCES

Selection6: PHYSICS DEPARTMENT

Graduate Program: PHYSICS

<http://www.ufjf.br/ppgfisica/>- Contact: +55322102-3307 – Extension: 212

**Specific areas of activity:** Theoretical Physics: Computational simulation or Field Theory.

## INSTITUTE OF HUMAN SCIENCES

Selection7: RELIGIOUS STUDIES DEPARTMENT

Graduate Program: RELIGIOUS STUDIES

<https://www.ufjf.br/ppcir/>- Contact: +5532 2102-3201

**Specific areas of activity:** Religious Studies and Theology: Contemporary Approaches of the relation between Religious Studies and Theology; specific and general aspects of this relation.

## LIFE SCIENCES INSTITUTE – CAMPUS GOVERNADOR VALADARES

Selection8: BASIC LIFE SCIENCES DEPARTMENT

Graduate Program: MULTICENTER PROGRAM ON BIOCHEMISTRY AND MOLECULAR BIOLOGY

<https://www.ufjf.br/pmbqbm/>- Contact: +5533 3301-1021 / +55333301-1000 – Extension: 1518

**Specific areas of activity:** The Visiting Professor shall: work in the areas of Biochemistry and Molecular Biology; prove academic, technical and scientific experience in both or in one of the areas, through teaching and research activities with scientific publications of high impact in the last 5 (five) years and/or book publications or book chapters; participate in the expansion of internationalization activities and enable the scientific and technological exchange and research networks, especially international ones; offer courses in the area or related areas of the Multicenter Program on Biochemistry and Molecular Biology Graduate Program; give seminars / mini-courses in the areas or related areas of the program; support the mentoring of the program's students; support the creation of research projects to apply for funding from national and international agencies, as well as support the production of articles to be submitted to high impact journals.
