

CERTIFICATES AVAILABLE & IMPORTANT INFORMATION

How to Access Your Certificate:

1. Access the public folder via this link:
<https://drive.google.com/drive/folders/1fQ5fN88v6XU0sf-sOP-EbrGX6Qd2DKrl?usp=sharing>
2. Locate the folder for the activity you attended (e.g., GJ01, GJ25, Paine I).
3. Use the grid layout to easily find and download your certificate, which was issued with the name you provided in the feedback form.

Please note:

Certificates for some activities are still pending as we await the final confirmation of participation from the respective professors. These folders are colored **red** in the drive. We appreciate your patience.

Minimum Certification Requirements:

The issuance of certificates follows strict, pre-established, and non-negotiable criteria. These requirements were widely communicated before and during the program.

To be certified, a participant must have met **ALL** of the following requirements altogether:

- 1. Prior Registration:** Successful pre-registration for the activity.
- 2. Confirmed Participation:** Attendance and satisfactory participation, as formally validated by the activity's professor.
- 3. Feedback Submission:** Completion of the course evaluation survey within the specified deadline (August 10).

Important Notice on Deadlines and Criteria:

The feedback form remained open from the beginning until over a week after the program's conclusion (from July 21st until August 10th), providing ample opportunity for submission. Reminders were posted to all Google Classroom feeds to ensure transparency.

If your name is not in your activity's folder, it is because you did not meet one or more of the requirements above. The list of certified participants is final.

No exceptions will be made. The International Office will neither issue certificates for participants who did not fulfill all requirements nor respond to individual queries asking for exceptions or questioning the certification criteria. This policy is firm, fair, and not only ensures equity for all who completed the program correctly but also allows us to focus on finalizing the pending certificates and supporting future editions.

We thank everyone for their interest in the Global July 2025 program and count on your participation in future editions!

Sincerely,

The Global July Organizing Committee
