

START FELLOWSHIP

INCUBATOR PROGRAM 2025

START
FELLOWSHIP

ABOUT THE PROGRAM

The **START Fellowship Incubator** is a student-run **online program** designed for aspiring entrepreneurs from low- and middle-income countries. Over **7 weeks**, participants receive hands-on support to move **from a first idea to a minimum viable product (MVP)**.

This interdisciplinary program helps tech and business talents build their first venture through **founder-led sessions, expert workshops, and community events**, guiding them step by step on their **entrepreneurial journey**.

GOALS

1

Turn ideas into real ventures

Build the skills to launch your first startup project

2

Develop an entrepreneurial mindset

Explore your potential and grow as a founder

3

Connect with a global community

Be part of a network of changemakers

TIMELINE

Aug 4th - 31st

Application Period

Sep 8th

Kick Off Incubator Program

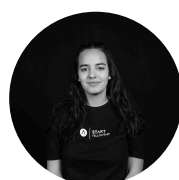

Oct 24th

End of Incubator program & Demo Day
