4. Examining Faculty Board

The examining board of the selection process will consist of two permanent professors from the Post-Graduate Program in Physical Education at UFV / UFJF and will be announced on June 28, 2021 on the websites www2.ufjf.br/pgedufisica and www.ppgefi.ufv.br. If the candidate identifies any link that corrupts the impersonality of the examining board, he / she must appeal against the date described in item 8 of this Notice. The examining board will carry out an evaluation of the candidates in all stages of the selection process and will respond to the appeals filed by them after the preliminary results of each stage are announced.

In all stages, candidates will be identified by an individual code generated after registration, and will no longer be identified by name or CPF.

5. Selection

Date: The entire selection process will take place from 07/05/2021 to 08/19/2021.

The selection process will consist of the following Steps:

First Stage - Eliminary and Qualifying

Evaluation of the Research Project in written form by an examining board composed of two professors, with a score from 0 to 100 points, with an eliminary character for a score lower than 70.0 points and a classification for a score equal or higher than 70.0 points. The final note will be published by name on the websites www2.ufjf.br/pgedufisica and www.ppgefi.ufv.br, according to the schedule set out in item 8 of this Notice.

The evaluation will be based on the following criteria: 1) Theoretical foundation; 2) Objectives and / or hypotheses; 3) Quality and feasibility of the method; 4) Timeliness of bibliographic references; 5) Schedule; and 6) Financial viability. Each evaluation criterion presented will be worth 100.0 points and, for the final grade of this item, the arithmetic average of the grades obtained in each evaluation criterion of each teacher will be calculated. Projects that do not fit the line of research of the intended advisor will be disqualified.

On 07/05/2021, the individualized hours of the order of challenge of those approved for the Second Stage of the Selection Process will be published on the websites www2.ufjf.br/pgedufisica and www.ppgefi.ufv.br. The candidate must be available online half an hour before the scheduled time for his / her argument and with access to a computer equipped with a camera, microphone and internet that guarantee his / her participation in the process without interruptions. The candidate must present an original document with a photo before the beginning of this stage.

The dispute will be made via the google meet platform. The link to access the online selection questioning room will be sent by email to the candidate on 07/05/2021 by the supervisor who was chosen in the registration.

In case the candidate does not attend, that is, if the candidate does not access the online meeting room at the time established for the online submission of his / her Research Project, he / she will be disqualified from the selection process. The claim will be recorded, with storage guaranteed.

Dissemination of the results of the first stage: 07/05/2021, until 18:00 hours.

Location: www2.ufjf.br/pgedufisica and www.ppgefi.ufv.br.

Second Stage - Eliminary and Qualifying

Online submission of the Research Project and topics related to the researcher's line of research, with a rating from 0 to 100 points, with an eliminary character for a score below 70.0 points and a classification for an equal or higher score to 70.0 points. It will be carried out by an examining board composed of two professors.

The candidate will be accused of the Research Project by the following criteria: 1) Theoretical basis; 2) Objectives and / or hypotheses; 3) Quality and feasibility of the method; 4) Timeliness and adequacy of bibliographic references; 5) Schedule; 6) Financial viability; and 7) Skills and abilities to carry out the proposed Research Project. Each evaluation criterion presented will be worth 100 points and, for the final grade of this item, the arithmetic average of the grades obtained in each evaluation criterion will be calculated.

Date: 7/14/2021

Hours: From 8 am to 6 pm. The hours of the arguments will be defined and the candidate must be connected to the link sent after approval in the first stage.

Disclosure of the result of the second stage: 07/19/2021, until 18:00 hours.

Location: www2.ufjf.br/pgedufisica and www.ppgefi.ufv.br.

9. Roadmap for setting up the Research Project

The candidate must submit a Research Project that fits the line of research of the intended advisor (see curriculum lattes). The Project must follow the following script, restricting, at most, to 07 (seven) pages typed on A4 paper, font Times New Roman, size 12, 1.5 spacing:

Cover

- Project title.
- Candidate's CPF, without identifying the name.
- Name of the supervisor (a) to whom the project will be submitted.

Note: The cover does not count as the number of pages in the established limit.

1 . Introduction

Briefly report the problem situation addressed, citing data or information that may delimit your context. Justify your defense and line of action / theme (What ?; Why?). Submit an updated bibliographic review that objectively justifies the execution of the proposal.

2 . Goals

State the objectives to be achieved by the project.

3. Method

Explain how the intended objectives (subjects, procedures and statistical treatment) are to be achieved. In addition, schedule and financial feasibility should be described.

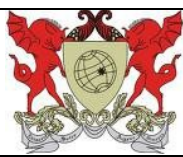

4. References

List the sources cited in the body of the project

Note: References do not count as the number of pages within the established limit. Consider 30 the number of maximum references that should be cited in the project. In addition, attachments do not count as the number of pages in the established limit.

GENERAL OBSERVATIONS

1. Results

All results will be published through the electronic addresses www2.ufjf.br/pgedufisica and www.ppgefi.ufv.br, websites of the Post-Graduation in Physical Education at UFJF and UFV. No results referring to the stages of this Notice may be used in future Notices. They are exclusively for entry in 2021.

2. Resources

The candidate will have the right to appeal to the Graduate Program in Physical Education (UFV / UFJF) in the period and time stipulated in the calendar of the respective selection process.

A resource request form will be made available for each release of results (see the calendar). The form for submitting the appeal will be available at www2.ufjf.br/pgedufisica and www.ppgefi.ufv.br. The appeal request must be made in writing, dated and signed by the candidate and sent from the email provided by the candidate at the time of registration, to the email moacir.marocolo@ufjf.edu.br.

The candidate will be guaranteed the right to view the content of all the tests taken (written or not) and the respective score sheets, and may request access to copies of all documents related to the contest.

The granting or not of the appeal filed by candidate (a) will be published on the electronic addresses www2.ufjf.br/pgedufisica and www.ppgefi.ufv.br, websites of the Post-Graduate in Physical Education at UFJF and UFV, and the answer will be forwarded by email to the candidate.

3. Inform

The Master's course is offered in full association by the Federal University of Viçosa and Federal University of Juiz de Fora. Thus, the activities of the Courses are developed at both Universities, so that students must be available to move between the two institutions, according to the schedule of activities provided by the coordination and the supervisor (The). The master's course lasts between 12 and 24 months, except for exceptions with normative provisions.

After being admitted, the candidate has up to 12 months to take the foreign language proficiency exam, according to the regulations of the respective university to which the student will be enrolled (UFV or UFJF).

4. Information

All information about the 2021 selection process will be available at the electronic addresses www2.ufjf.br/pgedufisica and www.ppgefi.ufv.br. Any questions can be directed to the e-mails ppgefi@ufv.br.
