

## **SEMINAR II (CODE: 3019006)**

### **COURSE SYLLABUS:**

The student must present, necessarily, two seminars. The first one will be a public presentation of the project that will be developed. The second one will address about a general issue suggested by the professor. Lectures will be presented referring to general issues of investigation, for instance, financing project elaboration, Plataforma Brasil (Brazil Platform) of ethics committee, among others.
